SEC File No. 270-202, OMB Control No. 3235-0196

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17a-22 (17 CFR 240.17a-22) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a et seq.).

Rule 17a-22 requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with which they have a significant relationship, such as pledges, transfer agents, or self-regulatory organizations. Such materials include manuals, notices, circulars, bulletins, lists, and periodicals. The filings with the Commission must be made within ten days after the materials are issued or made generally available. When the Commission is not the clearing agency’s appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency. The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aides the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 are registered clearing agencies. The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies but on average there are approximately 200 filings per year per active clearing agency. There are seven active registered clearing agencies. The Commission staff estimates that each response requires approximately .25 hours (fifteen minutes), which represents the time it takes for a staff person at the clearing agency to properly identify a document subject to the rule, print and makes copies, and mail that document to the Commission. Thus, the total annual burden for all active clearing agencies is 350 hours (7 clearing agencies multiplied by 200 filings per clearing agency multiplied by .25 hours) and a total of 50 hours (1400 responses multiplied by .25 hours, divided by 7 active clearing agencies) per year are expended by each respondent to comply with the rule.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
